MAKE YOUR mark

Makeup you can buy and sell
the new beauty experience from AVON.

Meet Mark: The new beauty experience created for and inspired by today's young women... The future generations of Avon customers and representatives.

Mark is more... Way more... than a line of innovative beauty products. It's chic jewelry and accessories too!

Mark is a forward-thinking earnings opportunity... the first of its kind to be offered to young women.

It's Make-Up she can buy and sell offering a much-needed entrepreneurial choice to those ready to make their Mark.

Mark celebrates self-expression defining one's own look... and special type of outer beauty... as well as one's future. Why should today's young women work in a restaurant, do odd jobs or fold sweaters in a retail store when she can do what she loves... And make money doing it!

As a Representative, she is offered the chance to be the CEO of her own beauty business. Working as her own boss, with her own hours on her own time.

This making her own difference, brings out inner beauty.

And there's nothing else like it.
